Verma and Kwok Bun Chan -- Employment equity for visible minorities / T. John Samuel and Aly Karam -- Public opinion on visible minorities / Leo Driedger and Angus Reid -- Racism: evidence from national surveys / John Berry and Rudolf Kalin -- Discrimination: an invisible evil / Donald W. Taylor, Stephen Wright, and Karen Ruggiero -- Redefinitions of South Asian women / Helen Ralston -- Acculturation and Chinese delinquency / Siu Kwong Wong -- Chinese refugees coping with stress in Toronto / Guang Tian.
Sommario/riassunto	According to reliable forecasts, by the year 2016 visible minorities will comprise 20 per cent of the Canadian population; the proportion of people of colour to whites is already higher than that in some metropolitan centres. At a time when governments across Canada are

seeking information and guidance on issues of race and racism, this balanced and thoroughly up-to-date collection of essays is a vital contribution to the field.
