Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover; Copy Right; FOREWORD; PART I: PLOTTING PLOTS; PART II: INTO THE FIRES OF LOVE: FAY DREAMS DAYDREAMS; PART III: BENEATH THE DAYDREAM
Sommario/riassunto	A previously unpublished work by Robert Stoller. 'It was like discovering a previously unknown recording by the Beatles. On a 2007 visit to Robert Stoller's widow, Sybil, she handed me a manuscript. Bob's last book had been placed in a publishing queue by his retiring editor. After Bob's death Sybil was told that the publisher had discontinued psychoanalytic books. It languished on a home shelf in Los Angeles for sixteen years. I was holding the final work by psychoanalysis's most eloquent writer on sex.' - From the Foreword by Dr Richard Green
