Nota di contenuto	Introduction -- The facts of the case and the original decisions -- The object of society : the amicus briefs and oral argument -- The evolving public use clause : the majority opinion -- At a loss what expedient to substitute : the concurring opinion -- Merely incidental benefits : O'connor's dissenting opinion -- Something has gone seriously awry : Thomas's dissenting opinion -- More like a living nightmare than a dream : the Kelo backlash -- Conclusion.
Sommario/riassunto	This book is an in-depth analysis of the case law and popular backlash to the Supreme Court case Kelo v. New London (2005). Using a variety of legal, academic, legislative, media, and popular sources, it examines and establishes the Court's most recent interpretation of property rights, eminent domain, and popular reaction to the interpretation.
