Sommario/riassunto	Soon after they moved into their apartment complex in Sarajevo, this book's protagonists were overcome by the 1992-1995 war and the disintegration of socialist Yugoslavia. More than a decade later, in post-war Bosnia and Herzegovina, they felt they were collectively stuck in a time warp where nothing seemed to be as it should be. Starting from everyday concerns, this book paints a compassionate yet critical portrait of people's sense that they were in limbo, trapped in a seemingly endless ""Meantime."" Ethnographically investigating yearnings for ""normal lives"" in the European semi-peripher
