Sommario/riassunto	This is an examination of the background to the gift of tongues in the light of Old Testament prophecy. In this book, Hiu firstly examines the background to the gifts of tongues and prophecy with a comprehensive

assessment of the historical evidence, both primary and secondary, finding that tongues is a uniquely Christian phenomenon. Hiu then demonstrates that "New Testament prophecy" is best considered as a direct extension of Old Testament prophecy. Hiu moves on to define and describe the functions of both tongues and prophecy in the New Testament which subsequently provides a clear base f
