Sommario/riassunto	If the eighteenth century was the age of reason and enlightenment, the nineteenth century was undeniably the age of movement. This tumultuous period in French history bore witness to the rise and fall of countless political movements, from revolutions and ""coups d'etat"", to popular protests and the first workers' strikes. It was an age of economic movements as France embraced the new world of finance and banking, and underwent its own industrial revolution. Social mobility increased as a dyna...
