Trouble in Death Valley The Story of John Wells BrierBibliography;
Index; About the Author

Sommario/riassunto

Driven by the promise of prosperity and opportunity on the frontier, thousands of men and women traveled west in the mid-1800s to forge a new life. Accompanying them were their children, wide-eyed and excited about the adventures that awaited them as they headed toward the setting sun. Little did they know how treacherous and grueling the trip would be.
