Nota di contenuto	Locating children born of wartime sexual violence -- Gendering international relations -- Situating wartime sexual violence in feminist discourse -- The politics of exclusion: the production of bare life and the war rape survivor -- Theorizing the global politics of children born of wartime sexual violence -- Children born of wartime sexual violence and the convention on the rights of the child -- Humanitarian organizations and the representation of war-affected children: finding relief for children born of war.
Sommario/riassunto	Donna Seto investigates why children born of wartime sexual violence are rarely included in post-conflict processes of reconciliation and recovery. In considering this, Seto examines how the theories and practices of mainstream International Relations (IR) can silence the experiences of war rape survivors and children born of wartime sexual violence and explores the theoretical frameworks within IR and the institutional structures that uphold protection regimes for children and women.
