Sommario/riassunto	In this, the first biography and personal memoir of WOLF MESSING to appear in the West, Tatiana Lungin limns a revealing portrait of one of the greatest psychic performers of the twentieth century. Born a Polish Jew near Warsaw, Messing ran away from home at the age of eleven and soon discovered his psychic gifts. Supporting himself by performing mind-reading acts in Berlin theaters, at fourteen Messing was sold by his unscrupulous manager to the famous Busch Circus. In no time Wolf gained an international reputation as the world's greatest telepath as he toured the capitals of Europe
