	Sommario/riassunto	""A helpful primer on collaboration for a wide range of therapists who are considering working closely with primary care physicians. This practical book will help!""-- William J. Doherty , PhD, Dept. of Family and Social Sciences, University of Minnesota. This book provides detailed, concrete, and practical information on successful collaborations between physicians and mental health service providers. The authors draw on their experience in working with physicians on referrals in a variety of clinical settings and specialties. Mental health
