Sommario/riassunto	Information and Digital Literacies: A Curricular Guide for Middle and High School Librarians is a practical guide to help school librarians design and deliver effective instruction that addresses the knowledge, skills and dispositions of information and digital literacies. The ready-to-implement curricular guide features instructional design strategies, model middle and high school curriculum, including a scope-and-sequence, stand-alone courses, units of instruction, and sample learning activities, and ties to new AASL and ACRL information literacy standards, ISTE technology standards, 21st Ce
