Sommario/riassunto	Specifically designed for busy teachers who have responsibility for coordinating a subject area within their primary school. Each volume in the series conforms to a concise style, while providing a wealth of tips, case studies and photocopiable material that teachers can use immediately. There are special volumes dedicated to dealing with

OFSTED, creating whole school policy and the demands of co-ordinating several subjects within a small school. The entire set of 16 volumes is available.
