Sommario/riassunto	Sexual orientation and gender identity are separate, distinct parts of people's overall identity. Equality and freedom from discrimination are human rights belonging to all people, however, lesbian, gay, bisexual, trans, gender diverse and intersex (LGBTI) people experience hostility in many areas of everyday life. This book explores issues involving sexual orientation, gender diversity and intersex status; and explains what equality means for people who are subjected to misunderstanding and homophobia.
