| Sommario/riassunto      | The question of the relation between the visual and the textual in literature is at the heart of an increasing number of scholarly projects, and in turn, the investigation of evolving visual-verbal dynamics is becoming an independent discipline. This volume explores these profound literary shifts through the work of twelve talented, and in some cases, emerging scholars who study text and image relations in diverse forms and contexts. The inter-medial conjunctures investigated in this book pl... |
