Sommario/riassunto	Over fifteen years have passed since Cora Diamond and James Conant turned Wittgenstein scholarship upside down with the program of "resolute" reading, and ten years since this reading was crystallized in the major collection The New Wittgenstein. This approach remains at

the center of the debate about Wittgenstein and his philosophy, and this book draws together the latest thinking of the world's leading Tractarian scholars and promising newcomers. Showcasing one piece alternately from each "camp", *Beyond the Tractatus Wars* pairs newly commissioned pieces addressing differi
