Sommario/riassunto	The hectic front of the Denver Museum of Nature & Science hides an unseen back of the museum that is also bustling. Less than 1 percent of the museum's collections are on display at any given time, and the Department of Anthropology alone cares for more than 50,000 objects from every corner of the globe not normally available to the public. This lavishly illustrated book presents and celebrates the Denver Museum of Nature & Science's exceptional anthropology collections for the first time. The book presents 123 full-color images to highlight the museum's cultural treasures. Selected for their
