Sommario/riassunto	This book introduces a new conceptual category to philosophical and political discourse, namely Hecate-isms, which can be applied to post-postmodernist theory. This concept is defined here as resulting from the philosophical and political mechanisms of the rule of three, and as representing a tri-phase construction of homo triplex, including elements such as prosperity-security-freedom and distance-power-security. The book will appeal to the wider academic community, to PhD students, professors, and researchers with an interest in political philosophy, political science, postmodern philosophy,
