Sommario/riassunto	Tori Shweet for Cameroon Pidgin English is a compendium of short stories written in Cameroon's most widely spoken lingua franca commonly called Cameroon Pidgin English (CPE). The grassfields of Cameroon serves as the nursery where these culturally enriched stories are nurtured. The collection comprises animal trickster tales, bird survival tales and human-interest stories. In conformity with the philosophy of French novelist, Stendhal, this anthology of short stories is a mirror that reflects the folklore and mores of the ethnic groups that constitute the grassland region of Cameroon. It serves as a window to the worldview, mindset and value systems of the grafi.
