Sommario/riassunto	Wild/lives draws on myth, popular culture and analytical psychology to trace the machinations of 'trickster' in contemporary film and television. This archetypal energy traditionally gravitates toward liminal spaces - physical locations and shifting states of mind. By focusing on productions set in remote or isolated spaces, Terrie Waddell explores how key trickster-infused sites of transition reflect the psychological

fragility of their willing and unwilling occupants. In differing ways, the selected texts - Deadwood, Grizzly Man, Lost, Solaris, The Biggest Loser, Amores Perro
