Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	pt. 1. Rebirth in the clinic -- pt. 2. the book of numbers : empirical research on spirituality and healing -- pt. 3. At the threshold of death.
Sommario/riassunto	The Rebirth of the Clinic begins with a bold assertion: the doctor- patient relationship is sick. Fortunately, as this engrossing book demonstrates, the damage is not irreparable. Today, patients voice their desires to be seen not just as bodies, but as whole people. Though not willing to give up scientific progress and all it has to offer, they sense the need for more. Patients want a form of medicine that can heal them in body and soul. This movement is reflected in medical school curricula, in which courses in spirituality and health care are taught alongside anatomy and physiology. But how
