Sommario/riassunto	The 10th installment of the beloved Woods Cop Mystery series! The traditional firearm deer season in Michigan lasts two weeks, a time in which the most hunters are afield during the year and the time when

most things happen. Game wardens cannot count on having any life but work during this period, and in this case Grady Service, who takes longtime violator and archrival Limpy Allerdyce on as his partner for deer season runs into the most bizarre string of big cases involving deer that he has ever encountered. Buckular Dystrophy is the term coined by Conservation Officers to describe the condit
