Note generali	Description based on print version record.
Nota di bibliografia	Includes bibliographical references (p. 185-193) and index.
Nota di contenuto	Venues -- Personnel -- Legal frameworks -- Morality, money, and prostitution prior to the criminalization of prostitution -- Red light, green light -- The wild west -- Immigration law and state legislation of morality to 'protect' women -- 21st-century campaigns and laws against trafficking in persons -- From prostitutes to sex workers : a movement for rights.
Sommario/riassunto	Prostitution is a taboo subject that nevertheless permeates American culture in literature, cinema, and music. It has been a cyclical topic of public debate reflecting changing attitudes toward male and female promiscuity, the role of women in society, attitudes toward poverty and class, and most recently, the recurrent theme of "sex trafficking."
