Sommario/riassunto

The reindeer herders of Aoluguya, China, are a group of former hunters who today see themselves as ""keepers of reindeer"" as they engage in ethnic tourism and exchange experiences with their Ewenki neighbors in Russian Siberia. Though to some their future seems problematic, this book focuses on the present, challenging the pessimistic outlook, reviewing current issues, and describing the efforts of the Ewenki to reclaim their forest lifestyle and develop new forest livelihoods. Both academic and literary contributions balance the volume written by authors who are either indigenous to the reg
