Sommario/riassunto

Mauritian independence in 1968 marked the end of a regime favorable to the Franco-Mauritians, the island's white colonial elite. Now, in postcolonial Mauritius, this group is faced with a much more diverse power constellation and often feels in competition with others vying for their privileges. Though this is a clear departure from the colonial heydays, Franco-Mauritians have been able to continue their elite position into the early twenty-first century. This book focuses on the power of white elites still lingering on in postcolonial realities, and with regards to elites and power in genera
