Sommario/riassunto

Straight answers to every question you've ever had about how the economy works and how it affects your life. In this Collector's Edition of their celebrated *How an Economy Grows and Why It Crashes*, Peter Schiff, economic expert and bestselling author of *Crash Proof* and *The Real Crash*, once again teams up with his brother Andrew to spin a lively economic fable that untangles many of the fallacies preventing people from really understanding what drives an economy. The 2010 original has been described as a "Flintstones" take economics that entertainingly
