Sommario/riassunto	"The stories are powerful, sometimes heart-rending, sometimes lyrical, but always deeply personal. And there is some very good philosophizing as part of the bargain." -- Merold

Westphal How can the seemingly separate lives of philosopher, feminist, and follower of a religious tradition come together in one person's life? How does religious commitment affect philosophy or feminism? How does feminism play out in religious or philosophical commitment? Wrestling with answers to these questions, wom
