Sommario/riassunto	This volume is based on the 2004 series of the Oxford Amnesty Lectures, one of the world's leading name lecture series. In it major figures in philosophy, political science, law, psychoanalysis, sociology, and literature address the challenges that displacement, asylum, and migration pose to our notions of human rights. - ; There are few issues more urgently in need of intelligent analysis both in the UK and

elsewhere than those relating to displacement, asylum, and migration.  
In this volume, based on the 2004 Oxford Amnesty Lectures, major  
figures in philosophy, political science, law, psychoa
