Sommario/riassunto	In our society, where emerging technologies unite us in new ways, bullying is reaching epidemic proportions. The Bully-Go-Round provides strategies for a better understanding of all aspects of bullying from the perspective of the bully, the bullied, and the bystander. This handbook offers more than thirty-five activities, including responding in writing, in art, and in role play; lists of resources; discussion prompts; and tips for teachers on providing a safe forum in our classrooms to explore the complexity of the bullying issue.
