Sommario/riassunto	Thomas Berry was an intellectual giant and cultural visionary of extraordinary stature. His vast knowledge of history, religions, and expertise as a cultural historian, united with his concern for the future of the planet is a unique blend revealing a genuine original thinker. Many know of his proposal for a new story, and a vital Earth sensitive spirituality. Few know the intellectual journey, because he presented his thoughts as a seamless and studied synthesis. This book is about the intellectual journey of Thomas Berry: of
