Titolo	American journal of play
Pubbl/distr/stampa	Champaign, IL, : University of Illinois Press Rochester NY, : Strong
ISSN	1938-0402
Disciplina	155
Soggetti	Play Play - History Play - Social aspects Play - Psychological aspects Education Play therapy Recreation Leisure Folklore Ethnology Animal behavior History Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed A forum for discussing the history, culture, and psychology of play. An interdisciplinary quarterly of Strong National Museum of Play, the journal aims to increase awareness and understanding of the role of play in learning and human development and the ways in which play illuminates cultural history.

Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references at the end of each chapters.
Nota di contenuto	Frontmatter -- Contents -- List of Maps, Tables, and Figures -- Preface and Acknowledgments -- List of Abbreviations and Acronyms -- Note on Transliteration and Translation -- Introduction: The Politics of Identity in a Colonial Political Field -- 1. The Space of the Colonial Political Field -- 2. Organizing Forces of the Field: Legitimation and Legibility -- 3. Resisting the Colonial Political Field in the Atlas Mountains -- 4. Creating an Anti-colonial Political Field in the Rif Mountains -- 5. Classification Struggles and Arabo-Islamic National Identity -- 6. Negotiating Morocco's Jewish Question -- 7. Gender and the Politics of Identity -- 8. The Sultan-cum-King and the Field's Symbolic Forces -- 9. The Monarchy and Identity in Post-Protectorate Morocco -- Conclusion -- References -- Index
Sommario/riassunto	Jonathan Wyrtzen's <i>Making Morocco</i> is an extraordinary work of social science history. <i>Making Morocco</i> 's historical coverage is remarkably thorough and sweeping; the author exhibits incredible scope in his research and mastery of an immensely rich set of materials from poetry to diplomatic messages in a variety of languages across a century of

history. The monograph engages with the most important theorists of nationalism, colonialism, and state formation, and uses Pierre Bourdieu's field theory as a framework to orient and organize the socio-historical problems of the case and to make sense of the different types of problems various actors faced as they moved forward. His analysis makes constant reference to core categories of political sociology state, nation, political field, religious and political authority, identity and social boundaries, classification struggles, etc., and he does so in exceptionally clear and engaging prose. Rather than sidelining what might appear to be more tangential themes in the politics of identity formation in Morocco, Wyrtzen examines deeply not only French colonialism but also the Spanish zone, and he makes central to his analysis the Jewish question and the role of gender. These areas of analysis allow Wyrtzen to examine his outcome of interest-which is really a historical process of interest-from every conceivable analytical and empirical angle. The end-product is an absolutely exemplary study of colonialism, identity formation, and the classification struggles that accompany them. This is not a work of high-brow social theory, but a classic work of history, deeply influenced but not excessively burdened by social-theoretical baggage.

Nota di contenuto	Part 1: Historical Review of Professor Zdzisaw Pawak and Rough Set -- The Born and Growing of Chinese Rough Set Community with Help of Professor Zdzisaw Pawak -- Zdzisaw Pawak as I Saw Him and Remember Him Now -- Recent Development of Rough Computing: A Scientometrics View -- Part 2: Review of Rough Set Research -- Rough Sets, Rough Mereology and Uncertainty -- Rough Sets in Machine Learning: A Review -- Application of Tolerance Rough Sets in Structured and Unstructured Text Categorization: A Survey -- Medical Diagnosis: Rough Set View -- Rough Set Analysis of Imprecise Classes -- Pawak's Many Valued Information System, Non-deterministic Information System, and a Proposal of New Topics on Information Incompleteness Toward the Actual Application -- Part 3: Rough Set Theory -- From Information Systems to Interactive Information Systems -- Back to the Beginnings: Pawak's Definitions of the Terms Information System and Rough Set -- Knowledge and Consequence in AC Semantics for General Rough Sets -- Measuring Soft Roughness of Soft Rough Sets Induced by Covering -- Rough search of vague knowledge -- Vagueness and Uncertainty: An F-Rough Set Perspective -- Directions of Use of the Pawak's Approach to Conflict Analysis --

Lattice Structure of Variable Precision Rough Sets -- Part 4: Rough Set Based Data Mining -- Mining for Actionable Knowledge in Tinnitus Datasets -- Rough-Granular Computing for Relational Data -- The Boosting and Bootstrap Ensembles for the Pair Classifier Based on the Dual Indiscernibility Matrix.

Sommario/riassunto

This special book is dedicated to the memory of Professor Zdzisaw Pawlak, the father of rough set theory, in order to commemorate both the 10th anniversary of his passing and 35 years of rough set theory. The book consists of 20 chapters distributed into four sections, which focus in turn on a historical review of Professor Zdzisaw Pawlak and rough set theory; a review of the theory of rough sets; the state of the art of rough set theory; and major developments in rough set based data mining approaches. Apart from Professor Pawlak's contributions to rough set theory, other areas he was interested in are also included. Moreover, recent theoretical studies and advances in applications are also presented. The book will offer a useful guide for researchers in Knowledge Engineering and Data Mining by suggesting new approaches to solving the problems they encounter.
