Disciplina	378.43
Soggetti	Universities and colleges - Germany
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Figuring out the many new terms confronting international students at German-language universities can be difficult. Even if the degree program is in English, most administrative work has to be done in German, and the bureaucratic university jargon is a language in and of itself. This guide aims to help international students and researchers understand the structures and organization of German universities by providing in-depth descriptions of terms and their origins, allowing for easier integration into the host university and its culture.

2. Record Nr.	UNISA996321756803316
