Sommario/riassunto	A most thorough study of the Elizabethan Tragedy of Revenge, its origins, development, the ethical influence affecting it and the inter-relations of the plays. Originally published in 1966. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Sommario/riassunto	By providing a focused examination of the historical development of

Black music artistry, William C. Banfield formulates a usable philosophy tied to how such music is made, shaped, and functions. He explores Black music culture from three angles: history, education, and the creative work of the musicians-engaging the reader in a conversation about the aesthetics and meanings that inform the cultural codes of Black music.
