Sommario/riassunto	This volume provides a short and accessible introduction to the organization that serves as the primary coordinator of the work of the UN system throughout the developing world -the United Nations Development Programme (UNDP). The book:traces the origins and evolution of UNDP, outlining how a central UN funding mechanism and field network developed into a more comprehensive development agencyevaluates the UNDP's performance and results, both in its role as system coordinator and as a development organization in its own rightconsiders the return of the UNDP to a
