Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This book focuses on the powerful influence music programs can have on well-being and connectedness in schools. It is written specifically for music specialists working in school communities, including music therapists, classroom music teachers, instrumental teachers and generalist teachers. In the first three chapters, Rickson and McFerran outline relevant philosophies, policies and practices to provide a rationale for why an expanded view of music is needed in contemporary schools. Drawing on theories and practices from community music therapy they then demonstrate how music cultures can be
