| Sommario/riassunto | Modern soccer is big business. From the ill-received takeover of Manchester United by the Glazer family to Paris Saint Germain's current shopping spree for the best footballers on the planet, soccer finance has become an increasingly important part of the game. Barely a summer goes by now without a cherished club going into administration or a wealthy businessman funding a mid table team's ascension to Champions League competitor. Meanwhile, the twice-annual multi-million dollar merry-go-round of transfer season sees players (and now managers) signed for sums thought impossible just a decade a |
