Sommario/riassunto

Consultant and long-time FDA food and dietary supplement labeling
expert James Summers offers a comprehensive guide to understanding
and complying with the dietary supplement labeling requirements of
the Food and Drug Administration (FDA) in Dietary Supplement
Labeling Compliance Review, Third Edition. Available in book or
searchable CD-ROM (view CD-ROM version) formats, this updated
review is composed of three essential parts: Sections I through V
consist of the introduction and how-to information. Sections VI through
IX consist of the compliance step-by-
