Formato	Materiale a stampa
Livello bibliografico	Monografia
2. Record Nr.	UNINA9910823921803321
Titolo	Culture and PTSD [[electronic resource] ] : trauma in global and historical perspective / / edited by Devon E. Hinton and Byron J. Good
Pubbl/distr/stampa	Philadelphia : , : University of Pennsylvania Press, , [2016] ©2016
ISBN	0-8122-9146-8
Descrizione fisica	1 online resource (435 p.)
Collana	The ethnography of political violence
Classificazione	CU 3040
Disciplina	616.85/210089
Soggetti	Post-traumatic stress disorder Ethnopsychology Cross-cultural counseling Transcultural medical care Historical Trauma Psychological Trauma Stress Disorders, Post-Traumatic
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa

Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	<p>The culturally sensitive assessment of trauma : eleven analytic perspectives, a typology of errors, and the multiplex models of distress generation / Devon E. Hinton and Byron J. Good -- Is PTSD a transhistoric phenomenon? / Richard J. McNally -- What is "PTSD"? The heterogeneity thesis / Allan Young and Naomi Breslau -- From shell shock to PTSD and traumatic brain injury : a historical perspective on responses to combat trauma / James K. Boehnlein and Devon E. Hinton -- Trauma in the lifeworlds of adolescents : hard luck and trouble in the land of enchantment / Janis H. Jenkins and Bridget M. Haas -- Gendered trauma and its effects : domestic violence and PTSD in Oaxaca / Whitney Duncan -- Exploring pathways of distress and mental disorders : the case of the highland Quechua populations in the Peruvian Andes / Duncan Pedersen and Hanna Kienzler -- Latinas' and Latinos' risk for PTSD after trauma exposure : a review of sociocultural explanations / Carmela Alcantara and Roberto Lewis-Fernandez -- Karma to chromosomes : studying the biology of PTSD in a world of culture / Brandon A. Kohrt, Carol M. Worthman, and Nawaraj Upadhaya -- Square pegs and round holes : understanding historical trauma in two Native American communities / Tom Ball and Theresa D. O'Neill -- Culture, trauma, and the social life of PTSD in Haiti / Erica James -- Is PTSD a "good enough" concept for postconflict mental health care? Reflections on work in Aceh, Indonesia / Byron J. Good, Mary-Jo DelVecchio Good, and Jesse H. Grayman.</p>
Sommario/riassunto	<p>Since the 1970's, understanding of the effects of trauma, including flashbacks and withdrawal, has become widespread in the United States. As a result Americans can now claim that the phrase posttraumatic stress disorder (PTSD) is familiar even if the American Psychiatric Association's criteria for diagnosis are not. As embedded as these ideas now are in the American mindset, however, they are more widely applicable, this volume attempts to show, than is generally recognized. The essays in Culture and PTSD trace how trauma and its effects vary across historical and cultural contexts. Culture and PTSD examines the applicability of PTSD to other cultural contexts and details local responses to trauma and the extent they vary from PTSD as defined in the American Psychiatric Association's Diagnostic and Statistical Manual. Investigating responses in Peru, Indonesia, Haiti, and Native American communities as well as among combat veterans, domestic abuse victims, and adolescents, contributors attempt to address whether PTSD symptoms are present and, if so, whether they are a salient part of local responses to trauma. Moreover, the authors explore other important aspects of the local presentation and experience of trauma-related disorder, whether the Western concept of PTSD is known to lay members of society, and how the introduction of PTSD shapes local understandings and the course of trauma-related disorders. By attempting to determine whether treatments developed for those suffering PTSD in American and European contexts are effective in global settings of violence or disaster, Culture and PTSD questions the efficacy of international responses that focus on trauma. Contributors: Carmela Alcántara, Tom Ball, James K. Boehnlein, Naomi Breslau, Whitney Duncan, Byron J. Good, Mary-Jo DelVecchio Good, Jesse H. Grayman, Bridget M. Haas, Devon E. Hinton, Erica James, Janis H. Jenkins, Hanna Kienzler, Brandon Kohrt, Roberto Lewis-Fernández, Richard J. McNally, Theresa D. O'Neill, Duncan Pedersen, Nawaraj Upadhaya, Carol M. Worthman, Allan Young.</p>
