Sommario/riassunto	The second edition of this ground-breaking book continues the mission of its predecessor: to provide a ""best principles"" and ""best practices"" overview of the counseling supervision process, one that is firmly rooted in the recent explosion of empirical research in this field. Sponsored by the Association for Counselor Education and Supervision (ACES), the presentation is targeted primarily at master's-level practitioners who want ""how-to"" applications of the research literature (with examples) rather than a comprehensive review of the supervision literature. Like the first edition, this
