Sommario/riassunto	This is the long-awaited text on interdisciplinary treatment and assessment of, among other clinical topics, brain-derived behavioral, cognitive, and neurological disorders....[A] comprehensive textbook written by world-renowned experts in their field. -- Niels Birbaumer, PhD. University of Tubingen, Germany. Member of the German Academy of Sciences, Leopoldina. In order to maintain the highest standards of care, health practitioners must keep pace with the rapidly

changing technology, trends, and practices in clinical psychology,
psychiatry, and behavioral medicine. This book disseminates vas
