Activating the power of goals and standards -- chapter 6. Activating assessment -- chapter 7. Activating feedback -- chapter 8. Final thoughts.
Sommario/riassunto	Flip the Switch! How to Get Students Into Learning Mode Now. Walk into any classroom, and within a few seconds you'll have a sense of whether the atmosphere is one of stagnation and passivity or one of motivation and engagement where students are learning. What is it that separates the latter from the former?In this book, education expert Gayle Gregory offers the conditions necessary to foster an environment of active, visible learning in a brain-compatible climate. In its pages you'll find: What effective teachers should know and do to activate student learning and reach targeted standards using theories such as Growth Mindsets and Panksepp's SEEKING system. What an "instructionally intelligent" teacher has in her repertoire that impacts student success. Multiple practical strategies to implement immediately ...
