Nota di contenuto	Naval warfare in South Asia : 1500-1850 -- The changing pattern of later Mughal warfare -- Army, state, and political economy of the East India Company -- Armies, warfare, and political economy of Mysore : 1760-1799 -- The Maratha Confederacy : armies, economy, and warfare -- Khalsa Kingdom against the East India Company, 1780-1849 -- Glossary.
Sommario/riassunto	This book argues that the role of the British East India Company in transforming warfare in South Asia has been overestimated. Although it agrees with conventional wisdom that, before the British, the nature of Indian society made it difficult for central authorities to establish

themselves fully and develop a monopoly over armed force, the book argues that changes to warfare in South Asia were more gradual, and the result of more complicated socio-economic forces than has been hitherto acknowledged. The book covers the period from 1740, when the British first became a major power bro
