Sommario/riassunto	How to Run Your Own Court Case is a simple, practical how-to guide to representing yourself in a non-criminal court or tribunal. It applies Australia-wide and covers all areas of non-criminal law, including debt, consumer claims, landlord and tenant issues, family law and appeals of government decisions. The book can be used by both the person bringing the action and someone defending an action brought against them. Although written for non-lawyers, it is also a useful resource for law students and new lawyers.
