Sommario/riassunto	The collapse of communism in central and eastern Europe--the Revolution of 1989--was a singularly stunning event in a century already known for the unexpected. How did people divided for two generations by an Iron Curtain come so suddenly to dance together atop the Berlin Wall? Why did people who had once seemed resigned to their fate suddenly take their future into their own hands? Some analysts have explained the Revolution in economic terms, arguing that the Warsaw Pact countries could no longer compete with the West. But as George Weigel argues in this thought-provoking volume, people
