Sommario/riassunto	Who are those at the bottom of society? There has been much discussion in recent years, on both Left and Right, about the existence of an alleged 'underclass' in both Britain and the USA. It has been claimed this group lives outside the mainstream of society, is characterised by crime, suffers from long-term unemployment and single parenthood, and is alienated from its core values. In Underclass: A History of the Excluded, 1880-2000 John Welshman shows that

there have always been concerns about an 'underclass', whether constructed as the 'social residuum' of the 1880's, the 'problem family' of

Nota di contenuto	The historical background and contemporary setting -- Mao, Stalin, and transforming China's economy: 1948-1952 -- Stalin's short course and Mao's socialist economic transformation of China in the early 1950s -- Mao's formulation of the general line for socialist transition: October 1952-September 1953 -- Mao's general line for socialist transition, October-December 1953 -- Conclusion: Mao, Stalin, and China's road to socialism.
Sommario/riassunto	In the first systematic study of its kind, Hua-yu Li explains why, in 1953, Mao suddenly changed direction in economic policy and launched China on a Stalinist road to socialism. In so doing, he profoundly changed the country's economic and political landscape. Including rich archival materials recently released from China and Russia, this book carefully examines Mao's ideological orientation and his relationship with Stalin. Li argues that Mao made this policy shift for two reasons: his commitment to Stalin's ideas as expressed in an influential historical text compiled under Stalin's guidanc
