Sommario/riassunto	There is increasing interest in the use of public-private partnerships in emerging markets. But what does this actually require governments to do if they are to establish successful long term partnerships with private partners and ensure that public partner has the right information, on the right projects, for the right partners at the right time.? This book takes the reader through the steps in the life of a PPP to provide a realistic overview of what is required successfully to engage and manage such a partnership from the early stages. Sommario/riassunto	"The Bible is filled with passages that are so baffling we tend to ignore them. Yet the passages that seem weird might be the most important. This collection of essays from Bible Study Magazine will shock you, intrigue you, and completely change the way you view the Bible. Dr. Michael S. Heiser visits some of the Bible's most obscure passages, unveiling their ancient context to help you interpret them today. Read this book, and you'll never be bored by the Bible again"--Back cover.
