Sommario/riassunto	'The UK is like the Holy Grail and they're all expecting the crusades. We have to give it to them.' Laurence loves to go out, get wrecked and rave to dub tep. He pays for it with a job at UK Immigration Control. Deciding who does or doesn't get to stay in the country is hard enough without a hangover. Ugandan gay rights activist Natale Bamadi finally makes it to the coveted shores of the United Kingdom but neither she nor Laurence can be prepared for what happens when her highprofile case is dropped onto his desk. Provocative, topical and savagely funny, Eye of a Needle gets under the skin
