 Systems -- Essential Element IV: Human Systems -- Essential Element  
 V: Environment and Society -- End Notes -- AUTHOR UPDATES --  
 INDEX -- Blank Page.

help U.S. students get to know and understand other cultures. Peace Corps volunteers agree to serve in order to meet the three goals of the agency: to provide assistance to the peoples of other countries, to help the people of other countries better understand Americans, and to help Americans better understand other peoples. This book helps fulfill the agency's third goal through remarkable stories by volunteers in the field.
