Sommario/riassunto	Arizona Dranes (1889-1963) was a true musical innovator whose recordings made for the Okeh label during the years 1926-1928 helped lay the foundations for what would soon be known as gospel music. The School of Arizona Dranes: Gospel Music Pioneer covers the life and career of Dranes and situates her accomplishments in the broader history of African American gospel music and the rise of the Pentecostal movement.
