1. The wider origins of the deviant act

Sommario/riassunto

""The New Criminology was written at a particular time and place; it was a product of 1968 and its aftermath: a world turned upside down .It was a time of great changes in personal politics and a surge of politics on the left: Marxism, Anarchism, Situationism as well as radical social democratic ideas became centre stage."" Jock Young, from the new introduction.

Taylor, Walton and Young's <I>The New Criminology</I> is one of the seminal texts in Criminology. First published in 1973, it marked a watershed moment in the development of critical criminological theory and is as relevant toda
