Sommario/riassunto

Proven strategies and tactics that you can use to lead workers to safety
Industrial facilities supervisors, from front-line managers to CEOs, can
depend on *Alive and Well at the End of the Day* for tested and proven
management and leadership practices that ensure the safety of their
workers. With more than thirty years of hands-on experience in the
chemical industry, including front-line management, author Paul
Balmert understands the challenges facing supervisors in industrial
facilities. His advice, based on firsthand experience, shows you how to
identify and correct fl
